

## Core-to-Core Advanced Research Network

# Organic Electronics of Highly Correlated Molecular Systems 2017 Montreal Workshop

25-26 May, Montreal, McGill University

Rm 10, Otto Maass Chemistry Bldg,  
801 Sherbrooke str West, Montreal H3A 0B8

### Thursday 25th, May

*Main Speakers:*

**Takayoshi Nakamura**  
Hokkaido University, Japan

**Eli Zysman-Colman**  
University of St Andrew, UK

**Kentaro Tanaka**  
Nagoya University, Japan

**Tomislav Friscic**  
McGill University, Canada

**Kunio Awaga**  
Nagoya University, Japan

**Yoko Tatewaki**  
TUAT, Japan

**John Wallis**  
Nottingham Trent University, UK

**Kathryn Preuss**  
University of Guelph, Canada

9:30- 9:50 Registration  
9:50-12:30 1st session

13:45-16:25 4th session

**Jaclyn Brusso**

University of Ottawa, Canada

**Delia Haynes**

Stellenbosch Univ, South Africa

**Jeremy Rawson**

University of Windsor, Canada

**Jean-François Morin**

Université Laval, Canada

**Kazuyuki Sakamoto**

Chiba University, Japan

**Dima Perepichka**

McGill University, Canada

**Neil Robertson**

University of Edinburgh, UK

**Hirofumi Yoshikawa**

Kwansei Gakuin University, Japan

**Michio Matsushita**

Nagoya University, Japan

*Topics include:*

**Stable organic radicals and conductors**

**Supramolecular design of organic electronic materials**

**Organic materials in energy storage applications**

*Organizers:*

**Dmitrii Perepichka**

**Kathryn Preuss**

**Jeremy Rawson**
